Sit back and relax in our vintage 1925 & 1927 coaches as the fall countryside rolls past your window. On select weekends our magician, Mr. Jim Hathy, will appear doing slight of hand magic that will entertain the children and adults alike. Or don't be surprised if a hobo wants your seat and asks for a handout. While we regularly throw Freddie off the train, he always manages to get past our conductor. Free with each paid child's fare a bag of popcorn and on completion of the ride, a small pumpkin can be selected to take home.

Youngsters select the 'perfect' Pumpkin.

Carrying of concealed weapons on the train or platform is prohibited. Neither smoking nor consumption of alcohol is permitted.

No pets on premises please!

NOTE: Schedules are adhered to as closely as possible, but the railroad reserves the right to alter schedules, change fares, substitute coaches and/or motive power as operating conditions demand.
