Santa Train 2010 – Dates/Events & Fares subject to change.

Children of all ages will enjoy an hour train ride with Santa on board our *Carson Express*.

You will board at historic Jefferson Depot; ride in one of our vintage coaches for a winter exploration along our tracks. Look onto the snow-scaped fields and woods, crossing over two bridges as you ride to meet Santa and Mrs. Claus at our North Pole at Carson Yard.

Upon arrival Santa and Mrs. Claus will wave to all as the train passes their North Pole village. Then board the train to visit with all the boys and girls on the return trip to Jefferson. Santa will have some of his helpers assist in distributing gifts.

Santa and Mrs. Claus have scheduled a short time for pictures after arriving at Jefferson before returning to their North Pole workshop.

About our train and the Santa ride, round trip will last approximately 1 hour and covers twelve miles of Ashtabula County back farm country. Our locomotive is a first generation Diesel pulling our full sized vintage railroad coaches from 1925 & 1927. Full sized cars are enclosed, heated and are decorated for the season. There is a lavatory on board available after leaving the station.
